# Sustainable Green Gifts

Waibo as always is a gift supplier which supply solution for the brand, design and manufacture. We will be more focus on 3R “Recyclable / Reusable / Renewable” gifts. It’s new, hip, innovative and, most of all, GREEN ! Our mission is to help reduce plastic waste and provide the better and healthier life for people all over the world. We will also increase the amount of Post-Consumer Recycled (PCR) material used in the goods during production. We will make unremitting effort till the end and our ultimate aim of shifting the promotional market as a whole towards more sustainably produced gifts.
